DISNEY100 AMAZING SPIDER-MAN VARIANT COVER FOR *AMAZING SPIDER-MAN #35* BY CLAUDIO SCIARRONE

THE LIBRARY OF WORLDS.

Attention, please.

The hour grows short, and our need is great.

I am the *Sorcerer Supreme.* Give me your eyes.

I have grave news on this gravest of days.

The world is surely ending, and its only hope is gathered now in this room.

Every living thing that calls it home looks to us for salvation. *Why?*

A *Babylon Event* has begun.

Well, Wyn...that sounds bad.

Hrmpt.

And are you certain it is a Babylon Event, Stephen? How can you know for sure?

Last night, there was a bleed on the plains of Mercator...

When I arrived, I found the Guardian Twins blinded and the infernal glyph over which they stood sentinel stolen.

I had to delve deep, but these were the last images burned into their minds.

It appears to be the Proto-Mage, *Cubisk Core*--*long thought dead*--who disappeared years ago.

Now he has seemingly returned at the apex of his strength.

How and why we do not know...

...but one thing is sure. He now has the Staff of the *Living Tribunal.*

I'm sure it's a very impressive stick wielded by a very impressive man...

But a Babylon Event? I don't see it.

If that were the only concern, I would agree, Amadeus.

But it is not. Doctor?

No. Unfortunately, there is *more*.

Hey, look. There's your ex.

Man, she looks great.

Now, would you attribute that to a change in profession and her finally getting to do what she was born to do...

...or would you just say that divorce really suits her?

...

We're not divorced, Dimitri.

Not yet, but...

...you know what? I don't want to spoil it for you. Sorry. Forget I said anything.

This footage is from two hours ago from a hidden A.I.M. station here in New York.

It was a containment facility for long-dormant former H.E.L.L. technology. *Watch.*

Do you know why it is sealed? Do you understand what you are opening?

Do you understand what you are *making me do?*

Prometheus Pit activating in ten seconds... nine seconds...

When my god made the universe, he placed each of us inside a box.

Many cannot see this box--the idea of it--the very shape of it...

...but the box is your home and, oh, how you *hate it.*

Eight seconds... seven seconds...

Your existence--all of reality--is inside that...

Six seconds... five seconds...

You love the dream and hate the box--but what I tell you now is the truth, and it is the hardest truth you will ever hear.

I am here to destroy the dream and wake you from your slumber...

No. Noo...

Don't, please...

Four seconds... three seconds...

You scientists and your curiosity. You drilled a hole in existence to mine for exotic matter and never asked *the question:*

Where do my actions lead? What do my actions feed?

Two seconds... one seconds...

I'm sorry. I'm sorry...

Regrets are for the dream. You are awake now.

Open your eyes.

RMSREEX

AaiiieeeeeeeeeE!

The feed ends here, with the casting of the spell...

...and the opening of the pit.

What followed next were the things of nightmares.

TO BE CONTINUED IN GODS #1!

JONATHAN HICKMAN RE-INVENTS THE COSMOLOGY OF THE MARVEL UNIVERSE!

WHAT HAPPENS WHEN THE-POWERS-THAT-BE MEET THE-NATURAL-ORDER-OF-THINGS?

The infinite détente between THE-NATURAL-ORDER-OF-THINGS and THE-POWERS-THAT-BE nears an end. Old acquaintances are reunited during a Babylon Event. The Lion of Wolves throws the worst parties. Don't look under the table. There's a John Wilkes Booth penny on the ground.

This ENORMOUS EXTRA-SIZED first issue features DOCTOR STRANGE, who, while not boring at all, is easily the most boring person in the book.

WRITTEN BY CHRIS CLAREMONT & JOHN BYRNE
PENCILED BY JOHN BYRNE
COVER BY JOHN BYRNE

In one uncanny issue, the X-Men meet two of the most important mutants they will ever know! One will become one of the greatest X-Men of all — and the other will spend years as a bitter enemy before proving herself a hero. They're Kitty Pryde and Emma Frost, and their destinies are intertwined! In their first appearance, Frost — White Queen of the insidious Hellfire Club — seeks to persuade Pryde to join her Massachusetts Academy rather than Xavier's School. She's one headmistress who's strict about getting her own way — and the X-Men will soon learn just how strict! Meanwhile, the Hellfire Club's Jason Wyngarde exerts his influence over Jean Grey in the first chapter of the Dark Phoenix Saga! It's one of the all-time great Marvel comic books, boldly re-presented in its original form, ads and all! Reprinting X-MEN (1963) #129.

Daredevil and the Punisher each have their own views on justice, and their clash of ideologies has seen them lock horns many times over the years — but it all began here! When a young girl dies, Daredevil and the Punisher both hunt down the drug dealer responsible for her death. Matt Murdock is determined to make the perpetrator pay for his crimes in accordance with the law, but Frank Castle has other ideas. Can the Punisher persuade Daredevil to join him in his endless war — or will they come to blows? With the legendary Frank Miller illustrating, you'd better hope it's the latter! It's one of the all-time great Marvel comic books, boldly re-presented in its original form, ads and all! Reprinting DAREDEVIL (1964) #183.

The Skrulls' Secret Invasion rocks the Thunderbolts! But it might just be the opportunity Norman Osborn has been waiting for! Captain Marvel attacks the T-Bolts' HQ, and Skrulls descend on Washington, DC — but internal tension may tear the team apart before their foes can! When Osborn scores a major victory, he manipulates events to level up — and to create a whole new Thunderbolts squad that includes Yelena Belova, the Irredeemable Ant-Man and the Ghost! But first, the old squad must be swept aside — and Songbird's insane teammates can't wait to take her out! But when Deadpool targets Norman Osborn, which side will the unpredictable new Thunderbolts take? Plus: Solo tales of the T-Bolts!
